Practical: 05

_Task1:Create a webpage for nursery kids using sematic elements and insert educational material Add background audio Add different videos

solution:

code:

```html
<body style="background-color: azure;" >
    <header>
        <nav>
            <ul>
                <li>Home</li>
                <li>About</li>
                <li>Videos</li>
                <li>Audios</li>
            </ul>
        </nav>
    </header>
    <section >
        <article>

            <div style="text-align: center;" >
                <h1 style=" background-color : rgb(0, 204, 255)" >Education
Material</h1>
            <section>
                <h2>  C++ course</h2>
